AMENDMENT

Honorable Commissioner of Patents and Trademarks
U.S. Patent and Trademark Office
Washington, D.C. 20231

Sir:

Responsive to the Official Action of 01/31/2003, please amend the application as follows: In claim 1, line 5, after "highway", second occurrence insert – selected from the group consisting of interstate highways of the United States extending generally in an east-west direction and interstate highways of the United States extending generally in a north-south direction -.

REMARKS

Applicant has amended claim 1 of the application to indicate that the process of claim 1 relates to placing the energy lines in the median or right-of-way of interstate
